North Carolina Concealed Carry Course

The class is a lecture based class with a PowerPoint overview and handouts. There is adequate time to ask questions and discuss issue and events pertaining to conceal carry. This class is structured for class participation and is done in slow and steady fashion, with emphasis on safety and understanding of the laws governing handguns, deadly force and general statues. This an entry level course encompasses many aspects, great for woman and men, first time shooters and those that want a better understanding of the legal issues.

This class is set higher than the state requirements for safety and liability reasons - yours and mine.

This is not a "gimme" class, I have been in public safety for too many years, I want you to leave my class with knowledge, confidence and a firm understanding of the responsibility you are taking on, if you are looking for someone to just to hand you a certificate for money than please find another instructor.

Course Price \$ 75.00 Length:

Approx. 9 hrs

Summary: With the right to carry a concealed handgun comes a higher degree of responsibility. You as the owner of the handgun must be competent and knowledgeable in handgun safety, laws regarding use of force, and your ability to use the handgun in a safe and responsible manner. It is paramount to have the ability to use good judgment in any facet of handgun operation/use, whether in self-defense, practicing the fundamentals of marksmanship, or any handling skills.
